

MESSER NRA-M10 - M10 NUT RIVETER ADAPTOR

Safety Note

Please note the following safety notes to avoid malfunctions, damage or physical injury:

- Please observe all safety notes of the used driving tool (drill)
- Always switch off the driving tool and pull the power plug before maintaining the blind nutting attachment, e.g. changing the nosepieces or when not in use.
- Only use the blind nutting attachment as indicated in this manual for setting blind nuts. The unit is not designed for continuous, professional use.
- Always secure the work piece.
- Do not wear loose clothing or jewellery. Tie up hair or clothing cannot get into moving parts.
- Persons with limited physical, sensorial or mental abilities are not allowed to use the unit, unless they are supervised for their safety by a qualified person or are briefed by the responsible person how to use the unit.
- Only use the blind nutting attachment with the included nosepieces.
- Should the unit become damaged do not use it and have it repaired by a professional or contact our customer support department. Do not disassemble the unit or try repairing it yourself.
- Do not continue using the unit if it was damaged or the unit was dropped down. Please contact our customer support service.
